

WARRIORS 2010

The Sky's the Limit...

**2010 Ring of Pride
Induction Ceremonies
September 24, 2010**

September 24, 2010

Dear Warrior Nation,

It is my great pleasure to welcome you to the 13th annual Ring of Pride Football Banquet. We are all here because we share a common bond: we love Wyoming Area football.

Please sit back and enjoy this short program. As always, if you have any ideas how to enhance the Alumni Association, please contact me at lou2@independentgraphics.com.

Yours in WA Football,

Louis Ciampi, Jr.

Lou "Bikes" Ciampi, '81

Wyoming Area Ring of Pride 2010

Ben Ladomirak

Ben Ladomirak was a 5-11, 195 pound fullback/linebacker for the Warriors in 1989-'90 and a District 2 discus champion. The Warriors were 8-3 his senior year when the team's three losses were by 7-6, 7-6 and 14-12.

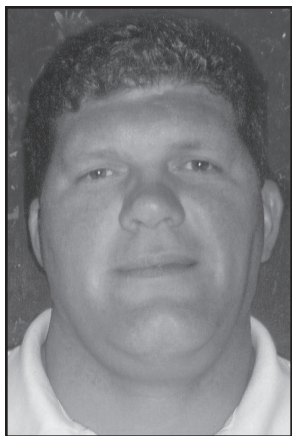

Ben was quite the student-athlete as class president and NHS president. He went to Yale where he won two football letters and was MVP of the track and field team in 1995. He coached track at Bucknell for three seasons when his athletes broke 20 school records.

Today Ben lives in San Francisco with his wife Jessie and three-year-old daughter Llew. He is president and his wife is the general manager of Teevan Restoration, considered one of the top 50 remodeling and restoration companies in the country. He is on the board of the San Francisco Foundation for Architectural Heritage.

Wyoming Area Ring of Pride 2010

Marvin Gilpin

Marvin Gilpin was a two-year starter in football in the 1984-85 seasons. He played at 6-2, 230. His best position was defensive end where he was all-scholastic. In the '84 season he had 100 tackles and lived "a lineman's dream", as he put it, when he returned an interception 82-yards for a TD. The Warriors were 18-5 combined in his junior and senior seasons.

Marvin was a three-year letterman in football and wrestling.

He was also the first District 2 heavyweight wrestling champion at Wyoming Area.

Today he is a construction contractor. He lives in West Pittston with his wife Amy and kids Nickarena, a Wyoming Area cheerleader, and Ryan, a West Pittston Rams junior football player. Marvin is a Rams coach.

Wyoming Area Ring of Pride 2010
Gregory M. Dolhon

Greg Dolhon was the two-year starter in football as a quarterback/safety in 1987-88. He played at 6-1, 195 and as a senior guided the Warriors to a 7-3-1 record including a 19-12 win over Pittston Area when he passed for 189 yards including a game-winning 11-yard TD pass to Keith Irace and won the 11th Falcone MVP trophy. Dolhon was also a Warrior baseball and basketball player. He played two seasons of football and one of baseball at Dickinson.

Today he lives in Peckville with his wife Melissa and puppy Lexi. He's a teacher at Lackawanna Trail High School and an assistant football coach at Dunmore. He's also involved in a lot of charity work including the Special Olympics, Coaches Versus Cancer and the Second Mile Club.

Wyoming Area Ring of Pride 2010
Bernard Wierbowski

Bernie Wierbowski scored 21 touchdowns for the undefeated 1953 West Pittston Rams. They were nicknamed the Touchdown Terrors. He was an honorable mention All-American his senior year. Bernie went on to Michigan State on a football scholarship.

Bernie was a three-year letterman in football and a two-year letterman in track. In football, the Rams were a combined 19-1 during Bernie's Junior and senior years. They were conference champs both years.

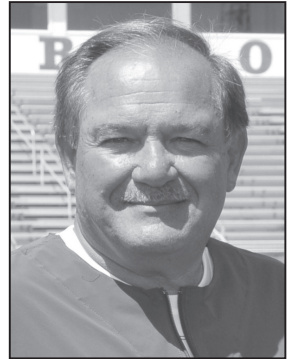

Bernie moved to Falls, became a welder and married his high school sweetheart, Edna. He has 2 daughters, Cindy and Andrea. He remains an ardent supporter of Wyoming Area football.

CONGRATULATIONS TO PAUL MARRANCA

Pennsylvania Scholastic Football Coaches Association 2010 Hall of Fame Inductee

Paul was raised in West Pittston, PA. He attended West Pittston High School which became Wyoming Area High School in his senior year. He was a four year varsity football player and also played baseball. He attended and played football at Bucknell University and graduated with a BS in Biology. In 1973, he received a Masters degree in School Administration from the University of Scranton. In 1975, he earned a second Masters degree in Counseling from the University of Scranton. Paul's coaching career began at Dunmore High School where he was an assistant to his high school coach, the legendary Jack Henzes. In 1976, Paul became the Head Football Coach at Wyoming Area High School, where he coached for 27 seasons (1976-1986 and 1992-2007). In 1988, he returned to Dunmore High School as Assistant Head Coach to his mentor, Jack Henzes. In 1989, they won the Pennsylvania Class A State Championship. He became the Head Coach at Nanticoke High School in 1991-1992 before returning to Wyoming Area. Over Paul's 29 years as a head coach, his teams compiled a 230-98-2 record including 7 Division Titles, 2 Eastern Conference Championships, 3 District Titles, 2 undefeated regular seasons, 1 perfect season and a winning percentage of .703. In 1980, he was named Pennsylvania Coach of the Year and has been selected Coach of the Year in the Wyoming Valley Conference 12 times. However, one of his proudest memories in coaching is when in 1999, he and one of his former players co-founded the Wyoming Area Football Alumni Association to honor the "great tradition, pride and community spirit" of Warrior Football. Since its inception, the Wyoming Area Football Alumni Association has raised over \$500,000 for scholarships, new weight training facility, new scoreboard and message center, along with new technology for the coaching staff and team. In 2000, Paul was inducted into the Alumni Association's "Ring of Pride" and still serves as its President. Coach Marranca is very grateful to all his former players and assistant coaches who made this award possible. A sincere thanks to Wyoming Area Parents Association, the Wyoming Area Football Alumni Association, and the board of education for their support over the years. A 'very special thank you' to his family (his mother Elizabeth, his brother Joe, children Sarah and PJ, and long time friends Frank Delaney and John Hovan) for their never-wavering support throughout his career. Finally, he would like to thank PSFCA for this honor.
